

Nursery Gates

Dear parents and carers,

We have reviewed the opening of our gates for nursery sessions to ensure we are keeping everyone safe. Can I remind you that the morning nursery session runs from;

8.40 until 11.40

Therefore the gates will be open to access the school site from 8.30 and then will be opened again at 11.40 for collection and closed at 11.50

The afternoon nursery session will run from;

12.20 until 3.20

Therefore the gates will be open to access the school for drop off from 12.15 pm and will be closed at 12.30pm.

At the end of the day the nursery gate will open at 3.10pm for collection.

This should ensure that any waiting can take place along the EYFS path and not on the road or near parked cars. I would encourage you not to come before these times as the road can be busy for our little ones. Thank you.
