

Safer Internet Day

Poster Competition!

Tuesday 11th February was Safer Internet Day and your child will have learnt about internet safety in school this week

This year's theme is 'Together for a better internet' so we are challenging you and your child to **create a poster** that shows ways of being safe on the internet. Be as creative as you like! Please hand your posters to your child's class teacher.

The winning posters will be displayed around school and in the classrooms to remind the children of ways to stay safe online.

Closing Date: Friday 28th February 2020.
