

› WE RESPECT, WE ACHIEVE, WE LEARN ‹

Dear Parents and Carers,

We are now at the end of the first week back to school from lockdown. The children have been amazing as always and have settled so well. They do however look very tired today, after a big change to routines.

Thank you so much for your support in keeping each other safe and following the systems we have in place.

There are a couple of reminders we need to give you:

- Please remember the **Lateral Flow tests** are for asymptomatic testing at home. If your child has **any symptoms** you must seek the **PCR test** following the directions, we have sent. We cannot accept the results of a Lateral Flow test as evidence that a child is negative. Thank you.
- I know I have requested this on many occasions but please could parents not congregate around the Junior school entrance. Children are having to step into the road as a result in order to distance and this is not safe for anyone. Please think of others and move away from the school entrances whilst waiting unless you can distance.

We wish you a very good weekend, and please praise the children for a really positive return to school. You should feel very proud of their resilience.

Kindest regards

Mrs C.Holmes
