26.3.21

Dear Parents and carers,

Just an important reminder: I know we have to send this out every holiday but it is very important.

Easter Holiday guidance for those who have been in school.

Please follow the guidance below if your child begins to show symptoms of COVID19 during the Easter holiday break and they have been in school this week or are due to be in the week that starts the 13th of April.

If your child develops symptoms of COVID19 within 48 hours of being in school.

You must seek a test for your child and the household must isolate at home until the test result is returned. You should let your school know that this has occurred.

The quickest way to obtain a test is to book a test at your local testing centre via <https://www.gov.uk/get-coronavirus-test>. Please do not use postal tests unless absolutely necessary as these take longer.

If the test result is positive for COVID19, you must inform school, who will identify if there are any other individuals within the school community who are impacted by this.

If the test result is negative, you should inform the school and you do not need to take any further action. You should contact the school on **the email talktoschool@monkwickinfant.school or using this mobile number 0797153680 - which is only to be used for this purpose during the school closure period. We will be monitoring these throughout the break.**

You must provide the following:

Name, date of symptoms starting, and child's class and your contact details.

If you are contacted by the school because your child is identified as a close contact of someone who has tested positive for COVID19, they must self-isolate for 10 days. Please inform us of any such situations before the children return on April 13th.

As always we are here in school to listen, support and help you in any way we can.

Yours sincerely

Mrs C.N.Holmes
