

Bee and Me

Phonics	<p>Trigraph 'ear' https://www.youtube.com/watch?v=3rGhTUc6zbE Read or make the words for blending: beard, gear, hear, ear, tear, fear, dear. Watch this video to introduce 'ow'. Ow Sound Phonics - YouTube Read silly sentences: Can you hear the beard? The gear in the ear. Trigraph 'air' https://www.youtube.com/watch?v=Ue_pRCMIXL8 Read or make the words for blending: Air, fair, chair, hair, pair, stairs. Read silly sentences: A pair of stairs. My hair is fair.</p>
Story	<p>We are continuing with 'Bee and Me' this week. But this week, we try and change one part of the story to make it your own. Bee & Me by Alison Jay - YouTube Retell the story with actions to include the new characters</p> <ul style="list-style-type: none"> • Retell the story with different characters. • Mix up parts of the story and get children to sequence correctly. • Draw your changed part of the story. You may want to try and write a sentence to go with your picture.
Maths	<p>We will continue to explore halving numbers. Vocab: whole, two equal parts, gets smaller, share, half, same, even, odd, odd one left out, halve exactly,</p> <ul style="list-style-type: none"> • Picnic - have two plates to begin with and half food then (recapping vocab from last week) then another friend comes along... what can we do now? Talk about sharing, is it the same/equal? • Use sweets and share them into different groups – sometimes groups are not equal. What could we do to make it equal? • Investigate which numbers can be halved equally. Choose a number card, count out the number of objects and half if possible or is there an odd one left out? Record by sorting number cards into two columns on a large sheet of paper- half/ not half.
Creative	<p>Sketch and paint an insect or plant of your choice Use the same skills as introduced last week: Introduce sketching a bee, looking closely at a photo. Use brushes of different thicknesses. Revisit a painting when dry to add detail using colour pencils.</p> 
Understanding the World	<p>Play this bug game: Bug Builder Educational Insect Game for Kids & Families (pestworldforkids.org) Watch this film all about insects. https://www.youtube.com/watch?v=DO215Uai4i4&t=1s How many facts can you recall? Draw your favourite bug from the film. Could you label the body parts? Could you write a fact.</p>
