

Home learning week beginning 4 May 2021

Story

Tell a story using Tales Toolkit.

The character is

The setting is

The problem is

The solution is

Phonics

This week we are learning 'oi' and revisiting 'ng'.

oi

Play this game - Trash or Treasure.

Write these words on pieces of paper.

boil coin soil foil point zoin doip moib

Read the words and decide if they are 'treasure' (real words) or 'trash' (fake words).

ng

Play this game - Word Hunt.

Write these words on pieces of paper.

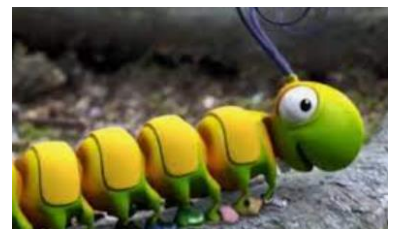

wing king bang long song gang ring hang bring

Hide the words around the room. Search for the words and then read them.

Listen

Watch this story about a caterpillar.
The story is called 'Caterpillar Shoes'.

[Caterpillar Shoes | Sweet rhyming bedtime story for kids! - YouTube](#)

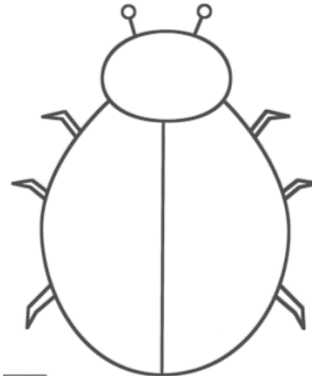

How many different insects can you spot? Can you remember what they're all called?

Maths

This week we are learning how to **double a number**.

Draw a ladybird outline.

Choose a number between 1-10.

Put that number of pasta shapes on one side of the ladybird.

Double the number by placing the same number on the other side.

Count how many pasta shapes you have altogether.

Make

Make playdough and use anything you can find to make an insect.

2 spoons of flour

1 spoon of salt

Water to mix

Food colouring

You could collect sticks, leaves, flowers when you are out for a walk.

Or use things you have at home e.g. craft materials, pasta, cereal.
