English

Road safety

Talk about walking across the road safely – what are the rules for crossing the road safely.

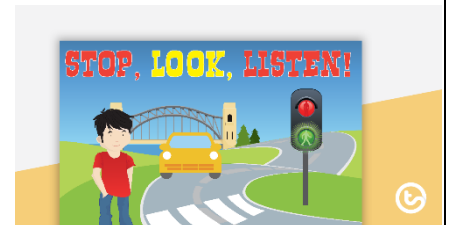

Watch fireman Sam – [how to safely cross the road](#)

Listen to road safety song - [when I walk across the road](#)

- Make a road with paper or furniture - act this out at home, can they cross safely.

Look at your local area on google maps.

- Draw a map of the local area
- Look at map symbols and add some to your map
- Label parts of your map

Maths

Counting on and back

- Write numbers 1-10 on pieces of paper and order them.
- Choose different numbers to start counting forward and backwards from.

Adding two groups of objects

- Use different objects in the house and put them into two groups. Could use food, toys etc. How many is there altogether?

- For example – put 3 oranges on a plate and 4 apples on another plate. How many is there altogether? Write the numbers underneath ($3+4=7$)

Creative

Understanding
the world

- Make a road safety poster
- Draw, paint or environment or

make a building in your local
your own flat/house.
