

Phonics

cr

crown crop crack crab crash crisps crunch cross

- Read above cr words
- Phonics game – write cr words on pieces of paper and place them face down, take turns to turn a word over and read it.

sl

slip sled sleet sleep sloth slim slap slug

- Watch this video <https://www.youtube.com/watch?v=-SXmrgSviGc>
- Phonics game – musical phonics – write sl words on pieces of paper, lay them on the floor, play some music and dance, when the music stops pick up a word and read it.

English

Rivers

What is a river? Watch these videos:

- [The river Thames](#)
- [Geography – rivers](#)
- [The wildlife of the river Thames](#)

Look at photos of rivers and talk about this together:

- Go on google maps and type in River Colne, look at the photos of this river and talk about the images. Talk about what a river is.

Maths

Measuring in full cups

- Find 3 different containers in your house, can you order the containers by capacity? (Which one do you think will hold more or less water?)
- Find out how many cups fills each container by measuring accurately in cups. Before you do this estimate how many cups it might take.

- Experiment with filling different containers – talk about it being full, empty, nearly full, nearly empty.

Creative

Understanding
the world

- Make a boat to float in the sink, bath or outside
- Draw a map with a river
- Water play – can you make a river in the bath or in the garden (could use different materials in the house e.g. tin foil)
